[Run Report 2044: Dingo & Stir @ Joondalup](#)

Van Driver next week 15th January 2018 is Rooted

Preamble: The annual Boots Run is tonight in memory of fallen Hash men. We seem to have a smaller number of people here than usual. The hares are ready to set up the van as soon as we get there. The milk crates have been breeding again, with **Mase** holding one down, **Stir & Dingo** another couple.

The Run: It took quite a bit of cajoling from the RA **Sir Kumsize** to get the rabble to listen to the GM, & the hare. The run started off down towards Lake Joondalup, into the usual loop, the trick is to guess which way left or right. A false trail down to the left, back to Woodswallow Cl. Across into Tern Ridge, up Moorhen Ct To Lakeside Dr, then we had a loop, several false trails, back to Shenton Ave & yet another false trail. Back onto Lakeside Dr, to some confusing markings with 4's pointing one way on the left & the other way on the right. We found trail back towards the lake on a path, ending in another loop going North. We carried on to the North with numerous false trails up the paths & tracks. The trail led back up to Joondalup Dr, then back towards the HBF arena, Grand Blvd & home. A well marked trail.

Circle Up & Visitors/Returniks: Visitor: **Plonky** back from Tassie, Returniks: **Gunny, Mase** showing us his crutch, & the hare **Dingo**.

General Business: **Tampax** 1 of 10 drinks, this could be an interesting ride home. 2 of 10, 3 of 10.

Cookie, we have 77 registered for the offshore run in Fiji.

Screwdriver brings up the Crankers 111 ride see the H4 web site for the flyer. Perth H3 2500 run on the 22 January this will be Hamersley's official run that night, the cost is \$25 with the club subsidizing \$10, bring \$15 for the night. SOP Numbats have their 1400 run in Feb, see the H4 website for the flyer. Bunbury H3 200th run in May, again see the H4 website for flyers.

Tampax 4 of 10.

Mase comes out with a yarn, I'll tell this story about a Hamersley hash man see if you can work out who it is. This hash man meet this lady in a bar, he takes her to her house for some loving. While enjoying the loving the lady hears a noise outside. Quick you'll have to hide, why the hash man asks? That is my husband's MGTB coming up the drive. Where he asks, she says up in the ceiling, so up he goes, but his nuts are hanging down like cow bells when he shuts the hatch. Her husband comes in what are you doing he said? I'm just decorating the house for Christmas she answered. Do you like the bells? He reaches up and taps them, there is no

ringing. So he tries again, still no ringing, so he hits them harder, and a voice from the ceiling said, Oh all right F*%ken ding dong.

Tampax 5 of 10, & with his former carpool of **Kazi, Mullet, & Halfway** 6, 7, 8, 9 of 10. Then 10 of 10 with **Mulloway** 1 of 1, Badges to both 1000 & 100 runners. **Mulloway** recons that his is the longest time to reach 100 runs.

Charges: **Stir** charges **MTM** with hitting his old ute while parking next to it, it took **MTM** 2 goes to get it, **MTM** admits to denting his boat by hitting a jetty, while trying to dock. **Cookie** is out for **MTM's** defense. When you get to **Mac's** age your driving is a bit dangerous, case in point, **Precious** while trying to park his Statesman at home, knocked the brick wall over, it's only been there longer than **Precious** as owned the house. Drink to both.

Cookie charges a fellow hash man with trying to steal his title as the smartest man in hash. By being at work & sleeping. **Pole Polisher** was showing **Cookie** up and doing a great job at it. **Pole Polisher** defends himself by determining **Cookie** is belittling firemen. The GM calls **Stir** out as the resident Pyro he is being derelict in his duty of keeping firemen busy. **Stir** replies that after the last fire he started he should retire. Drink to **Stir**.

Stir charges **Dingo**, he has a car that is silent, he give **Stir** a map of the run that **Dingo** can't read. **Dingo** walked into a rubbish bin, and a street sign while setting trail, he only fell over 6 times.

WOW: Word; Poplolly, Femme Favorite or mistress. No winner tonight.

On this day in 1916? No winners either the ANZAC forces withdraw from Gallipoli Peninsula.

WOW; **Mac** by the circle for crashing shit. **Plonky** by **Mac** for something long forgotten. **Cookie** by the RA for shithouse legal representation. **Stir** for interrupting the RA's due process during **Cookie's** nomination. Awarded to **Stir** for fucking about like an old moll getting his legal representation for recourse together and thus losing the RA's patience.

H4 Honors: Tonight we congratulate: **Tampax** 1000 runs. **Mulloway** 100 runs.

Dingo 30 year hat. **Mase** he was a good committee man, songmaster, act designer and songwriter. **MTM** about being in the carpool with **Dingo Seagull, & Blowy**, and the adventures of **Dingo's** old HQ panel van. **Stir** on **Dingo** walking into posts signs & rubbish bins.

Jokes:

Run Report: **Patch** a good run, great food, 10/10.

Ice: **Mulloway**, talking. **Pumpkin** took ice for his drug squad. **Voo Doo** for talking or listening.

Next week's run: **Pumpkin** Bardon Park Maylands. It's all about the food.
