

# HISTORY OF HAMERSLEY INTERHASH ACTS

Hamersley stands tall on the international Hash map for Interhash Acts. From diminutive beginnings back in 1982 (Jakarta Interhash) where Gunny performed Hamersley's first Interhash Act, and got dumped in the shiggy pit! Hamersley have set the standard with top class Acts in particular those set out below. Hamersley takes great pride and pleasure in presenting a Hash Act at every Interhash and will strive to continue the Tradition. When all other Clubs fall by the wayside we will still be there. Let the good times roll!
